

Huon Valley Council invites you to attend
Community Bushfire Awareness &
Preparedness Workshop

Sunday 19 October 2014

10am- 1:30pm

Huonville Community Town Hall

(40 Main Road, Huonville)

This workshop is for Huon Valley residents and it will give you practical information to ensure you're prepared for the summer bushfire season.

Topics include:

- how to best **protect your home** in an event of a bushfire
- the importance of a **bushfire survival plan**
- **permit requirements** & registering burns
- **tools** available for private landholders undertaking planned burning
- **caring for your animals**
- **restoring landscapes** after a bushfire event

There will be a range of experienced presenters from the Tasmanian Fire Service, government agencies, Red Hot Tips – planned burning on private land project and individuals with experience in post fire landscape recovery.

A free BBQ lunch will be provided.

If you would like further information or to RSVP for the event please contact Kylie Jordan at admin@macfrank.com.au or 03 6427 5315.
