Attention: - Mr Richard Forster
Secretary
Wooden Boat Association

5 December 2015

Dear Mr Forster,

RE: - WOODEN BOAT EXHIBITION AT THE 2016 DEVONPORT APEX REGATTA

I am writing to you on behalf of the Devonport Apex Regatta Association Inc. who coordinates the Annual Devonport Apex Regatta to be held Sunday 6th March 2016. For the past 57 years the shores of the Mersey River have played host to the best one day Regatta in the State.

As I'm sure you would be aware the 2016 Devonport Apex Regatta is approaching quickly and we are now keen to confirm all attractions for our event, with this in mind we have been informed that you now have 4 rowing skiffs and the Devonport Apex Regatta Association would like to invite your organisation to display racing of these skiffs and perhaps also race along side the surf boats that will also be attending on the day.

The Committee also were wondering if it may be possible to allow local members of Surf and rowing clubs to utilize the rowing skiffs for a challenge event on the day, with many possible crowd draws we would also seek your input on this.

We are a non-profit organization and ideally seek in-kind sponsorship from other organisations to ensure that all overheads for this annual event are covered for the days activities, if profits are made they are then disbursed back into the community and volunteer help. With this in mind we are also aware that you are a not-for profit organisation and if you required support to appear please inform us if there is a fee, the amount and/or any other conditions of your attendance.

If you need further information regarding this request please feel free to contact myself (the Secretary) on my details listed in my email or you can additionally Contact Jock Littler on his the details listed below.

We look forward to hearing from you in the near future.

Yours faithfully

Jock Littler
