

Easter Update

La Chaloupe has been requested as the Start Finish boat in the Dover Easter Regatta. It was blowing a gale on Friday as we were trying to position La Chaloupe . Luckily John Tapp and his boat Polly came to the rescue and towed La Chaloupe onto its allocated mooring. Well done to Morgs (Rob Morgan) and John Tapp for their efforts on the day.

Start and finish judges on La Chaloupe.

St Isles Skiffs returning to the beach after the Islands Race

Changing of the judges by tender

Hopefully we can contribute more at the next regatta.

A new member Kevin Miller is taking control of La Chaloupe from Sunday evening to use on the bay with a group of his friends..
