Swiftsure Regatta; School Grebes start times.

Please try and arrive before 9.00 for registration [with $2 badge required for identification of team members].

Grebe races will be alternating with St Ayles skiff races.

When it is your team's turn, be ready at boathouse while previous Grebe race is still on. Allow racing Grebes to disembark and drop off their lifejackets. Don lifejackets and embark carefully but quickly. You may row towards the starting boat but wait behind it until the skiff race is finished. Then proceed to behind start line and line up with 10m between boats. Wait on line for starter's orders.

Each boat will have its own buoy to round; stay in your "lane". Leave Buoy to starboard.

At the end of each race Grebes must be left with oars and steering paddle on board.

The following times are starting times; be behind the line and ready.
